The Courts Donate to West Virginia Flood Victims

In July, The Courts residents gathered together for a service project benefiting the victims of the floods that swept through West Virginia in June. Residents brought in donations of cleaning supplies, toiletries, towels, clothing, & even items for the homeless animals. Together they sorted & packed 10 large boxes worth of donations to help the families in need. The donations will be distributed by #WVFlood, which is an organization created by volunteers for volunteers who have come together to get the West Virginia communities back on their feet.

Smithson moved to the U.S. when he was 22 years old from England and was quoted saying he "loves this country." Please help us congratulate him for this huge accomplishment.
