Autumn Is Approaching

Summer comes to a close on Sept. 22, when fall arrives. As the days gradually get shorter and cooler, a variety of trees will begin to prepare for winter, indicated by their leaves changing to brilliant colors of red, orange and yellow before dropping to the ground. Ash, birch and maple trees are often among those that will lose their leaves first.

Grand Characters

Grandparents on TV shows and in the movies are much like those in real life. Here are a few favorite on-screen grands.

Esther and Zeb Walton, "The Waltons." Grandma and Grandpa Walton, both strong and persevering, are the pillars of their close-knit family of 11 who live in rural Virginia.

Adolph Kramer, "Heidi." A granddad with a gruff exterior grows to form a loving bond with his lively granddaughter Heidi.

Estelle Winslow, "Family Matters." Despite her age, Mother Winslow is hip and trendy. She's the glue that binds this Windy City family.

Marie and Frank Barone, "Everybody Loves Raymond." The elder Barones live across the street from their son, making it easy for them to meddle.
