Summertime

Word for August: August

As a noun, the word “August” indicates the eighth month of the year. As an adjective, “august” means “inspiring reverence or admiration,” according to *Dictionary.com*. With the sun beginning to set on the summer season, it’s the perfect time to reflect on people in your life whom you admire and revere. Better yet, tell them—either by email or in person. You’ll make their day, their week and maybe even their summer.
