Trivia Whiz

Right as Rain

Don't let April showers dampen your enthusiasm to learn all about rain!

Each minute, 1 billion tons of rain falls on the Earth.

Nimbostratus and cumulonimbus are the two most common types of rain clouds.

Falling at an average speed of 14 mph and from an average cloud height of 2,500 feet, a raindrop takes about two minutes to hit the ground.

Grass looks greener after a shower because rain contains nitrogen, which is a natural fertilizer.

Scientists have studied fossilized raindrop imprints in 2.7 billion-year-old rock formed from volcanic ash.

In hot, dry regions, rain sometimes evaporates before it hits the ground. The scientific term for this is virga, but it is also commonly called "phantom rain."

"A Dog's Way Home"

The Woodland was treated to a special surprise when the star of "A Dog's Way Home" stopped by for a visit! Thank you Shelby for stopping by!

"Elvis" Was in the Building!

Taylor Rodriguez performed for a full house at Brookview. Residents enjoyed watching the Elvis impersonator sing all their favorite Elvis songs.

Live at Riverside

Farmville Jaycees will be hosting Live at Riverside concert series again this year beginning the first weekend in May.

Art Show at Brookview

Residents of Brookview enjoyed an art show put on by Linwood Weakley, resident of Brookview.

Mr. Weakley's paintings are for sale if you are interested in purchasing.

Resident Council Meeting

Please check the calendar for the date and time of this month's resident council meeting.

Pet Visits

We always enjoy puppy visits! If you would like to bring your furry friend, you will need to have a copy of their current rabies vaccination certificate and a pet registration form signed by owner on file at the facility.

Wit & Wisdom

“Humor is such a wonderful thing, helping you realize what a fool you are but how beautiful that is at the same time.”
—Lynda Barry

“I realize that humor isn’t for everyone. It’s only for people who want to have fun, enjoy life, and feel alive.”
—Anne Wilson Schaefer

“A person without a sense of humor is like a wagon without springs. It’s jolted by every pebble on the road.”
—Henry Ward Beecher

“Like a welcome summer rain, humor may suddenly cleanse and cool the earth, the air, and you.”
—Langston Hughes

“It is the ability to take a joke, not make one, that proves you have a sense of humor.”
